4H HORSE CAMP

TO BE HELD AT THE FRANKLIN COUNTY FAIRGROUNDS, MALONE, NY
Open to Franklin, Clinton, and Essex, 4H Horse Program Youth

THANK YOU
4H LEADERS AND PARENTS
For all the dedication and TIME
you devoted to planning this camp!

Please Read carefully!
All, Franklin, Clinton, and Essex County 4-H families are invited to attend Horse Camp, held May 18-20, 2018, at the Franklin County Fairgrounds in Malone, NY. This event is open to all 4-Hers enrolled in the horse project, even if you do not bring a horse. Registration is $35 for the first 4-Her in a family (not to exceed $60 per family). Mail registration and check or register online. Credit card payment available. (Insert online registration link)

All horses coming to camp are required to have proof of current rabies vaccinations. (in the current calendar year but at least 14 days prior to Horse Camp) and negative Coggin’s test 2017-2018 (conducted during the current or previous calendar years). Please send a copy of both with your Horse Camp Registration. Please make sure your horse’s name is the same on all forms. You must have copies with each horse/pony to get onto the fairgrounds; papers will be checked at the gate. Keep your original Coggin’s and rabies certificates in a safe place at home!

You may arrive no earlier than 3 PM Friday. (Unless you are scheduled for set-up duties) Horses and riders must be checked in by 8:00 AM Saturday. If you will be arriving later than 7:30 PM on Friday evening (because you need to make two trailer trips, etc), please make note of that on the registration form. You will need to check in with Pat or Rick Banker before unloading your horses.

*You are welcome to bring snacks for the weekend to share. If you do, please label with any allergens (peanuts, peanut oil, nuts, etc.). Please also bring a reusable water bottle or coffee mug (or both) clearly labeled with your name. We are trying to reduce some of the garbage and very few disposable cups will be available for the weekend.

Bringing tents to sleep in inside the 4-H building is ok and lots of fun! Also, please keep your personal belongings inside the tent. This helps us keep aisles clear for safety purposes. There are camper spaces available. $25 for the weekend. Check must be separate from Horse Camp payment and made out to Franklin County Ag Society.

**Bathrooms and showers are NOT located inside the 4H building. Adult chaperones will be required to walk youth campers to the bathrooms after lights out.**

Reminder: all youth need to wear a ASTM, approved riding helmet when handling a horse (leading, riding, and driving). Adults need to wear a helmet when riding and driving a horse. *Check your helmet for cracks BEFORE Horse Camp so you will have time to procure a new one.

*Meals from dinner on Friday through lunch on Sunday are provided for camp as part of the registration fee. Please be sure to list any dietary or other needs you may have on the registration form so we can provide for them. A menu is included in this packet.

*An Activities Section will be available in the 4H building during the day from 10:00-3:00pm. We ask that clubs plan a craft or activity to share with 4H’ers. Bring materials, instructions and a finished item. There will be people to help in the building.
Enclosed are the registration forms. Please read them carefully—they are full of important information. Please complete the enclosed forms and return it to the Franklin County Extension Office by 4:00 PM, April 30 if you wish to have a t-shirt. You may also register online here until May 11 if you do not wish to buy a t-shirt:

Mail your Franklin County 4H member check(s) and horse Coggins/rabies certificates to: Cornell Cooperative Extension, 355 West Main St., Malone, NY 12953 Make check payable to: CCE Franklin County. * If your Coggin’s/Rabies won’t be back in time for registration but will be back for May 19, please let us know. They may be emailed or faxed but must be in-hand when you enter the fairgrounds!

*All checks from Clinton or Essex County participants MUST be sent to your home county. Counties will be responsible for sending a single payment to Franklin County CCE.
